- Customer Service Training
- Patrol & Sentry Guard Training
- Emergency Response Drills

Additionally, guards undergo pre-deployment training tailored to specific assignments and continuous refresher training.

## 7. MANAGEMENT STRUCTURE

Secure Sense Security Force Limited operates under a professional management structure:

- Directors
- Operations Manager
- Supervisors
- Control Room Personnel
- Security Officers

All supervisors conduct routine checks to ensure guards maintain discipline, alertness, and professional appearance.

## 8. RELATIONSHIP WITH LAW ENFORCEMENT

We maintain close collaboration with:

- Kenya Police Service
- Local Administration
- Community Policing Units
- Other Private Security Firms

This ensures rapid coordination during emergencies.

## 9. QUALITY ASSURANCE

To maintain high service standards, we:

- Conduct regular site inspections
- Perform random guard checks
- Provide monthly performance reports
- Carry out joint security surveys with clients
- Implement strict uniform and discipline policies

## 10. INSURANCE COVER

Secure Sense Security Force Limited is adequately insured against:

- Legal Contractual Liability
- Fidelity Guarantee
- Employer's Liability
- Workmen's Compensation

## 11. WHY CHOOSE US
